**APRIL**

First the blue and then the shower;  
Bursting bud and smiling flower;  
Brooks set free with tinkling ring;  
Birds too full of song to sing;  
Crisp old leaves astir with pride,  
Where the timid violets hide,—  
All things ready with a will,—  
April's coming up the hill.

He that planteth a tree is the servant of God,  
He provideth a kindness for many generations,  
And faces that he hath not seen shall bless him.
